Encores were frequent, and there was no question left in the mind of a single member of the audience as to the exceptional merit of the entertainment."

## WRECK IN SPAIN.

Madrid, June 23.—Thirty people have been killed in a wreck at Ternet.

## MOODY'S SUCCESSOR

Paul Morton, who has been offered a place in Roosevelt's cabinet to succeed Moody in the Navy Department, is a western man and a recent convert to the tenets of the Republican party.

A Chicago telegram of May 26, says: Paul Morton, second vice-president of the Santa Fe railroad and son of the late J. Sterling Morton, Secretary of Agriculture under President Cleveland, has renounced a life-long allegiance to Democracy and joined the Republican ranks. Morton is largely a convert of President Roosevelt, whose warm personal friend he became soon after President Roosevelt's nomination for the vice-presidency.

Knowing Morton's change of heart, several politicians formed a plan several months ago to have him elected a district delegate to the National Convention. At that time it looked as if President Roosevelt might have a fight on his hands for a renomination, in which event the Western political leaders desired Morton's aid in the battle.

A change in the situation caused a change in the plan and Morton was elected an alternate delegate at large by the Springfield convention without his personal knowledge that this was to be done. Today Morton sent a note to the secretary of the convention accepting the proposition. In explanation why he had abandoned the Democracy he said:

"One reason is the fact that the Republican party has appropriated two of the former cardinal principles of Democracy—sound money and expansion. With regard to the tariff I believe that the Republican party will come nearer to revising it when the time comes than the Democratic party ever would. One trouble with the Democratic party is that it comes out with a new paramount issue every four years. I like the Republican party because it is a party that stands for the material interests of the country—it is a party that has done things."

RILEY AND MURPHY SIGN.

Joe Riley and Tim Murphy have signed for a fifteen round boxing contest, time and place not yet fixed. The articles of agreement are as follows:

"We, the undersigned, of the Oahu Athletic Club, have drawn up articles this 23rd day of June, 1904, for a fifteen round contest between Tim Murphy, of Australia and Joe Riley, of Boston, for the championship of the Hawaiian Islands, the contest to be governed by straight Marquis of Queensberry rules. The weight stipulated is 180 pounds, and either man not coming down to weight must forfeit the sum of one hundred dollars at 4 o'clock, day of contest. The club agrees to give seventy per cent of gross receipts, fifty-five per cent to winner, and fifteen per cent to the loser. The referee to be chosen twenty-four hours before contest."
